Purchasers and owners seeking to place their condominium into The Palazzo Versace Dubai / Hotel rental scheme are required to purchase the Exclusive Palazzo Versace Home Collection.

The furniture and furnishings collection has been carefully Selected to provide an interior experience synonymous with the hotel Insuring that guests enjoying the condominiums are fully immersed In the true Versace style.

Whether you are seeking a one-, two-, three-, four-, five- or six bedrooms furniture collection, the selection of colours has been chosen to optimize the exclusive Versace experience in each type of condominium accordingly. Each condominium has a specific collection which has been designed and tailored to suit the exact requirements of the floor plan.

An inventory for each condominium type will be provided to the respective purchaser / owners.

**Unique – Bespoke Design Selection**

The furniture package includes two porcelain ranges enabling owners to utilize their personal dining set during their time at their condominiums with a second range that matches the exclusive Palazzo Versace range used by the hotel for its guests. It is the second range that will be made available for guests if the condominium is placed in the hotel rental scheme.

**Linen and Colour Selections**

Depending on the number of bedrooms, the furniture Collection will provide the relevant color sections from Lilac, Regal Indigo blue, Cream and light gold. The Versace Home linen Collection will live up to the Versace legacy, using rich textures of fabric and assuring the level of luxurious comfort and elegance that only Versace can provide.
